Privacy Policy and GDPR

The website: eastridingastronomers.org.uk

We do not use cookies or any other means of collecting data on individual visitors to our website. Our website is intended to provide information to you and not for us to collect information about you.

That said, our website host (CWCS) may collect information differently. We have no influence over their policies but we believe they are a responsible organisation and will not collect any data unless it is described in their GDPR policy and [privacy policy](#).

GDPR Policy for members and membership enquiries

We collect and store information from members and enquirers that is appropriate and proportionate. We will retain this information only for as long as it is needed. Our collection and retention of this data is appropriate to that of a membership organisation.

We have a GDPR policy/form that is available for scrutiny upon request from the Secretary - erastrosec@hotmail.com
